

Fair on the Square

Food Vendor Guidelines

1. **All vendors selling/preparing food must locate in the Food Court sites 1 – 28.** Vendors with trailers, grills, hot dog carts, etc. must register for sites 7 – 25. **NO** trucks, trailers, grills, hot dog carts, etc. are allowed on the courthouse lawn or sidewalks. The far side of the street has to be free from any obstacles so that vendor traffic can pass through for setup.
2. Propane cookers must be within the booth in an enclosed area away from pedestrian traffic; e. g. surrounded by tables. There is a limit of two **(2) grills per site** and they must fit within the 14 X 14 space on the street and not over the yellow line.
3. Entry fee for food spaces is \$60.00 for each 14 X 14 space; \$80.00 for nonprofit groups requiring 2 spaces. **All equipment must fit in this space.** All four corners of the rented space will be marked. No holes may be dug in the lawn. Tents must be anchored by means other than tent stakes.
4. Generators are not allowed.
