

REQUEST FOR QUALIFICATIONS ENGINEERING SERVICES

The Jenkins County Development Authority is seeking an engineering firm or individual engineer to provide engineering and design services for the State Economic and Infrastructure Development (SEID) Grant. The award of the engineering contract for this project is contingent upon the grant being funded by the Southeast Crescent Regional Commission. Responding firms should be technically qualified and licensed to provide design and inspection services for local state and federally funded projects including engineering services and programs.

Responding firms should be technically qualified and licensed to provide design and inspection services for local, state and federally funded projects. Procedures for selection of an individual/firm will be in accordance with the RFQ package and local procurement requirements, as well as the requirements of Procurement Standards in Title 2 C.F.R. §§ 200.317 – 200.327, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and applicable subparts.

The Development Authority reserves the right to request additional information from any consultant submitting under this RFQ if the Development Authority deems such information necessary to further evaluate the consultant's qualifications. The Development Authority reserves the right to interview any consultant submitting under this RFQ. The Development Authority reserves the right to waive informalities and minor irregularities in submittals and reserves the sole right to determine what constitutes informalities or minor irregularities. Consultants shall be responsible for all costs associated with consultant's submittal.

The Development Authority reserves the right, in its sole discretion, to reject all submissions, reissue a subsequent RFQ, terminate, restructure or amend this procurement process at any time. Evaluation criteria contained herein shall be used in evaluating qualifications. The Development Authority may contact any consultant after receiving its submittal to seek clarification of any portion thereof. The Development Authority reserves the right to request additional information from any consultant if the Development Authority deems such information necessary to further evaluate the consultant's qualifications. In the event the Development Authority elects to negotiate a contract with a selected consultant, the Development Authority reserves the right to negotiate the terms and conditions of the contract, including, but not limited to scope, role, price, and staffing which may be in the best interests of the Development Authority.

All qualifications will be evaluated in terms of project approach, timing, experience, quality of work, and capacity of performance. Past performances on local government construction projects will be assessed in terms of timeliness, completing work within budget, and quality of work.

Interested parties are invited to secure a Request for Qualifications package by calling Sydney Stouffer, Planning & Development Specialist, 706-210-2014 or emailing stouffer@csrarc.ga.gov

Requests for Qualifications are due no later than 11:00 A.M., June 27, 2025. Proposals submitted by mail should be addressed: Sydney Stouffer, CSRA Regional Commission, 3626 Walton Way Ext. Suite 1, Augusta, GA 30909. One (1) digital copy of the proposal submitted by email, sstouffer@csrarc.ga.gov. Request for Qualifications received after 11:00 A.M. on June 27, 2025, will not be considered.

The Jenkins County Development Authority reserves the right to accept or reject any or all proposals. The Jenkins County Development Authority is an Equal Opportunity Employer.
