A board of registrars or absentee ballot clerk may establish additional drop boxes, subject to the limitations of this Code section, but may only establish additional drop boxes totaling the lesser of either one drop box for every 100,000 active registered voters in the county or the number of advance voting locations in the county. Any additional drop boxes shall be evenly geographically distributed by population in the county. Drop boxes established pursuant to this Code section shall be established at the office of the board of registrars or absentee ballot clerk or inside locations at which advance voting, as set forth in subsection (d) of Code Section 21-2-385, is conducted in the applicable primary, election, or runoff and may be open during the hours of advance voting at that location. Such drop boxes shall be closed when advance voting is not being conducted at that location. All drop boxes shall be closed when the advance voting period ends, as set forth in subsection (d) of Code Section 21-2-385. The drop box location shall have adequate lighting and be under constant surveillance by an election official or his or her designee, law enforcement official, or licensed security guard. During an emergency declared by the Governor pursuant to Code Section 38-3-51, drop boxes may be located outside the office of the board of registrars or absentee ballot clerk or outside of locations at which advance voting is taking place, subject to the other limitations of this Code section.
